

A note from the Chairman...

June 2021

Dear Member/Guest,

Leading the way - despite the restrictions

i-UG International i-Power 2021(h) at the Mount Hotel, Wolverhampton - July 6th & 7th 2021

Despite the latest let-down by the Government on the final lifting of restrictions, the **i-UG International i-Power 2021(h)** Education will continue as both an **in-person** and a **virtual broadcast** event on July 6th and 7th this year.

Even the current Government guidelines allow for larger gatherings where **Education** is involved or when the meetings are **work related**. Both cases apply to the i-UG Education days and so it is entirely viable to attend in person if that is what you had intended to do.

Of course, until the final lockdown lifting, some of the more basic lockdown requirements like social distancing will persist and we have worked with the hotel management – who are well versed in this approach - on this basis.

So, you can attend a full education program **and** stay overnight **and** meet with like-minded colleagues **AND** still stay safe. We are working on it.

We look forward to seeing you there.

Mike Ryan – i-UG Chairman

Why not become an i-UG member? More details can be found at <https://www.i-ug.co.uk/how-to-become-a-member>
